

Chapter 12 – Define Success

Know, Show & Grow

How successful are you in each area?

Score yourself 1-10 in these areas.

- 1-3 (I don't use much. I'm not confident in);
- 4-6 (I use and I am growing in confidence)
- 7-10 (I use and I am confident)

Consider one thing you could do to develop this.

Innovation	Score	One thing
Knows themselves well – strengths & weaknesses.		
Knows balance (how to balance their life).		
Knows their passion (what energises them).		
Knows their goal and purpose.		
Shows their skills in their area of passion.		
Shows others how to do the job well – enables them.		
Grows & develops others.		
Grows & develops high performing teams.		
Grows the organisation and its capacity for further growth.		
Gets results in its field: financial, academic (schools), output goals or needs met (charities).		
Grows themselves through self-reflection.		
Grows the reputation of the organisation.		

What is success for me?

What are my success criteria? Am I judging myself on the right things?
